

Footprint Library Documentation

This project uses standard KiCad footprint libraries for all PCB components. No custom footprints were created because all required PCB footprints were available in the verified KiCad standard footprint libraries.

Reference	Component	Footprint Used
U1	STM32G431KBTx MCU	LQFP-32_7x7mm_P0.8mm
J1	USB Type-C Connector	USB_C_Receptacle_GCT_USB4085
J2-J4	Headers	PinHeader_1x04_P2.54mm_Vertical
R1-R5	Resistors	R_0805_2012Metric
C1-C2	Capacitors	C_0805_2012Metric
D1	LED	LED_0805_2012Metric
